Anand Narayan Dwivedi

Full Stack Developer
9120367133 | dwivedianandnarayan@gmail.com | Portfolio | Github | Linkedin | Leetcode

SUMMARY

Full Stack Developer with hands-on experience in MERN, MySQL, Django, REST APIs, and responsive web development. Experienced in building and deploying web applications with frontend and backend technologies, databases, and API integration. Strong foundation in software development, problem-solving, and modern development tools, seeking an opportunity as a Software Developer.

EDUCATION

Bansal Institute Of Engineering & Technology — *Lucknow*
B.Tech in Computer Science & Engineering | ***(80.1% till 6 sem.)*** — *2024 – 2027*

MMIT Sant Kabir Nagar — *Sant Kabir Nagar*
Diploma in Computer Science & Engineering | ***75.79%*** — *2021 – 2024*

K S S I C Baridiha Sant Kabir Nagar — *Sant Kabir Nagar*
Secondary (X), UP Board | ***87.00%*** — *2020 – 2021*

PROJECTS

WanderLust – Property Listing Web Application — *June 2026 – Aug 2026*
Tech Stack: Node.js, Express.js, MongoDB, JavaScript, Bootstrap

- Developed a full-stack web application to create, explore, and manage property listings.
- Implemented RESTful APIs, database integration, and CRUD operations.
- Built a responsive UI with user authentication and server-side validation

Shree Online | *MERN STACK, REST API* — *Feb 2026 – Apr 2026*

- An AI powered cybercafe management service portal that work all operations related to cybercafe.
- One-window digital service platform for accessing multiple online services conveniently.
- Implemented a simple, responsive UI with service categories, user navigation, and easy access to digital services.

Learning Management System (LMS) - *Python with Django, HTML, CSS, js* — *June 2025 – Sept 2025*

- Built a web-based LMS for managing courses, assignments, and student progress.
- Designed admin features for user management and reporting.

SKILLS

Programming Languages: JavaScript, Python, Java, C++, C
Web Development: HTML5, CSS3, React.js, Node.js, Express.js, Django, Bootstrap
Databases: MongoDB, MySQL, MongoDB Atlas
Core Concepts: OOP, DBMS, Data Structures & Algorithms, REST APIs
AI Skill: Prompt Engineering
Tools & IDEs: Git, GitHub, VS Code, Antigravity IDE, Wireshark

AWARDS & ACHIEVEMENTS

- **Secured 3rd Position in Google Cloud Study Jams** organized by the Google Developer Group at **Bansal Institute of Engineering and Technology**, Lucknow.
- Worked with modern technologies such as **Prompt Engineering, AI tools, and advanced development frameworks** while building projects.

CERTIFICATIONS

- **DSA WITH JAVA** – APNA College.
- **Website Design & Development Internship and Training** – iStudio Technologies pvt. Ltd.
- **Full Stack Development with AI** – Internshala Trainning. | Jul 2026
- **Google Cloud Study Jams** - GDG On Campus | Oct 2025 | Google Badge
